THE OCEAN TURNED MILKY

A Maritime Memoir: The Life and Loves of a Young Seaman Jack Bentley

In **THE OCEAN TURNED MILKY** Jack Bentley’s sexual escapades as he sails the world on a freighter are funny, dramatic, entertaining and have an unexpected twist! Bentley writes with a seaman’s voice as he relates his innocence and transition into a very active and sexual man. Women are Bentley’s weakness.

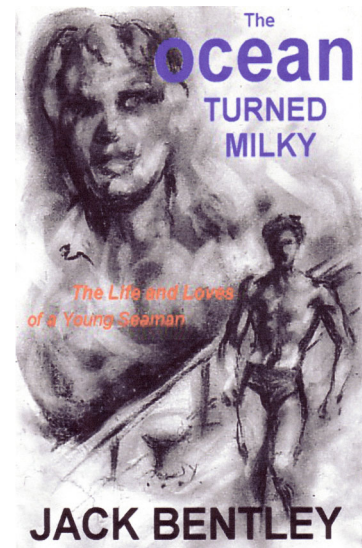

JACK BENTLEY enchants his reader with tales of his spills and thrills all over the world. He offers an individual take on the horrors of sailing the seas during wartime in waters infested with German submarines and Japanese Kamikaze.

Chartered Accountant Jack Bentley is a Canadian who left his hometown of Saskatchewan as an inexperienced teenager to join the Merchant Marines. Bentley’s rollicking adventures are chronicled in *The Ocean Turned Milky*. Jac and his beautiful wife Jean live in Vancouver and spend 6 months in the California desert. He has several book and film projects in the works.

Other titles by Jack Bentley from Sable Publishing: **LANA AND THE PRIEST**, 09741776-9-5: **PURE GOLD**, An Economic Goldmine, 09741776-0-1: At work on the forthcoming **LANA, THE MOVIE**, a two hour film script and **GOOD AS GOLD**.
